September 16, 2016

Dear Parents,

This note is to remind you to return the signed **“Acceptable Use Policy Agreement Form”** so that your children may use the school’s computers.

The grace period has now expired. Any child that has not returned a signed form to the office by Monday will not be allowed to use the school computers until it is received.

Thank you for your cooperation,

Mrs. McCarthy  
School Library Media Specialist
