

Teachers and Parents,

I am not sure where the time went! Tricky Tray..Holidays...New Year!

We have come to the half way mark of the year in collecting Box Tops for Education...as you can see from our chart...we have three classes working hard to win the pizza party this year....it is still anyone's game!

5 th	1441
6 th	886
8 th	732

I have also received inquires into stores who will support our school by contributing box top amounts based on receipts. This is an individual registration process. For instance, if you shop at Shoprite, they will support our school. However, you have to register your price plus card number on the Box Top website in order for us to receive credit for our school. Please take a minute and go to the Box Tops for Education website....there are so many stores and special offers that you can sign up for that will help our school.

Of course, you can also send in your Box Tops for Education into school as usual...no amount is too small...just remember to put your Child's name and grade on the envelope so that we can give credit to the right grade.

Please keep in mind that all of the money we raise benefits our teachers and students with classroom supplies.....every single box top counts!

Thanks again!

Dede
