

A BIG Thank You to all those who supported our recent trip to Guatemala!!

We worked on building a home for a single mom, Barbara, and her son, Oscar (4).

Our team included four OLS graduates: Conor McCarthy ('07), Shane McCarthy ('09), Daniel Rego ('09), and Daniella Simari ('11), four OLS parishioners, and two friends.

Below you can see the house at the start of our visit, and after five days of work.
