

Student Safety:

It has come to our attention that some of the younger students are now able to push the main door of the school open.

We recognize that this is a potential safety concern. We are consulting with the Fire Department and our alarm company to determine the best way to resolve this situation.

We will keep you informed with further details as they become available.

Thank you,

A handwritten signature in black ink that reads "Sister Judith, S.C.C." in a cursive script.

Sr. Judith, S.C.C.
Principal
